## Boronia Radio Controlled Car Club

Incorporated A0036675Y

July 4, 2015

Congratulations to all members for season 1.

Due to a number of rain days, we ran 16 rounds of which 4 bad rounds were dropped (12 counted for points).

Great results from our junior members which goes to show age is not a barrier in this sport.

Keep it up and hope you are all looking forward to a very competitive season 2.

**Note that Season 2 points will show as "Season Results 3" in the Alycat reports.**

Season Results 1 will remain frozen from here on (Season 1) and Season Results 2 contains the club champion points (combined season 1 and season 2 – no dropped rounds).

Congratulations to season 1 winners.

BRCCC Vice President
